OUR REQUIREMENTS:

- 1.) All of our Samoyeds are sold by contract only. Would you object to signing our contract?

- 2.) We require that the AKC registration papers be filled out and sent in for individual registrations. Will you object to fulfilling this aspect of our contract? If so, please explain why.

4.) We recommend that all pups be taken to puppy obedience class (or to some type of training and socialization event). Will you be unable to meet this recommendation for any reason?

6.) We, as breeders, strive to breed Samoyeds that are physically and mentally sound. This does not, however, mean that all our of Samoyeds are perfect. If a problem arises, we want to be contacted immediately with full details, whether the problem is genetic or otherwise - (including death). Again, this helps us to keep accurate records. Will this be a problem? If yes, why?

7.) Every now and then, we send updates about ourselves and our dogs to all of our Samoyed Buyers. We would like to (and expect to) hear back from you at that time, as this communication helps us in keeping good records. Will you agree to this?

Note: Of course, you are encouraged to send updates to us at any time throughout your Samoyed's life and we love pictures! ! !

8.) If you can no longer keep the dog, we require that you notify us before placing the dog elsewhere.

Will this be a problem?

9.) If we do not have the Samoyed for you, may we refer you to another reputable breeder?

Thank you for taking the time to fill out the questionnaire and we hope you understand the need to have a questionnaire. We want our Samoyeds to have a happy and healthy life. We trust that, as a dog lover, you too, can appreciate this.
